Designer Katja Handt takes teachers through the principles of theatrical design as well as, specifically, the elements of set design and a variety of approaches to teaching set design in the classroom

During the workshop Katja will explore with teachers:

- ◆ The process of designing a set for a show from the first script reading to opening night
- ◆ The role of set design in the overall production and the director's vision
- ◆ The tools available to the set designer: three dimensional shape and texture
- ◆ How to use a floor plan, scale and a scale model
- ◆ Suggested activities for teaching set design in the classroom

The workshop will include practical activities in set design. Resource materials and a written overview of the workshop will be provided to teachers at the workshop.

This workshop is ideal for Drama teachers.

BOOKINGS: Please phone our Box Office on 9699 3444. Places are limited.
